3<sup>rd</sup> January 2021

Dear families,

As I am sure you are aware Little stars is in a COVID 19 Tier 4 area and the new strain has significantly increased the number of people who are being infected.

The safety of our children and staff remains our prime concern.

We have taken the difficult decision, at short notice, to delay the opening of Little stars

This is to enable us to review our risk assessments and put in place any further safety measures that may be needed.

On Tuesday 5th and Wednesday 6th January Little stars will now be open to **vulnerable children and children from keyworker families only.**

If you are a new parent to the Pre School and are a key worker and wish your child to attend Little stars safely open for all children as soon as we possibly can and return on Tuesday and Wednesday, please email Miss Heather-Miss Kay [office@littlestars-preschool.co.uk](mailto:office@littlestars-preschool.co.uk) with your name, your child's full name, and your job role.

Please title your email 'keyworker place'. If you have any queries, you can phone 07803122152 Or 07805003484 which will be manned from tomorrow 9.30am-until 2.30pm and we will be able to help.

We intend to open little stars to all children from Thursday 7th January, but this is subject to any changes. We will of course let you know of any changes as soon as we know.

This decision has not been taken lightly and we fully appreciate the inconvenience this will cause, but the safety of the children and staff comes first.

We are grateful for your understanding and continued support during this most difficult of times, safely open for all children as soon as we possibly can.

Kindest Regards

Little stars Team
