18th March 2025

Dear families,

Just a reminder

Please be mindful how congested the corridor can become and think of others. Please leave buggies out the front where someone will always be around to keep an eye, also please leave bikes/scooters out the front and please leave toys from home in your Childs bag/tray, we cannot hold any liability for any of your belongings, thank you for your understanding!

If you would like to speak to us on drop off please ask a staff member out the front, so the children can flow through the door easier and due to confidentiality. Thank you.

We have also moved the lunch trolley and bottle box to out the front to try and make more room- please make sure all lunch boxes and bottles are named so we no know whose they are, same with coats and bags, and shoes where possible as the children take the children shoes off on in the soft play room, there has been a few cases where children have gone home in the wrong shoes where's there's two pairs the same and same sizes.

Thank you this is very helpful.
Little Stars Team
